

OSU PROFESSIONAL DEVELOPMENT PROGRAM FOOD LABELING - ONLINE COURSE

Program Description

The Online Food Labeling Certificate Program is designed to enable anyone in the food industry, including manufacturers and regulated industry, to better comply with FDA labeling requirements. In this course, you will explore the newest changes to food labels, including:

- Nutrition fact panel format
- Mandatory label elements
- Organic and natural
- Nutrition and health claims
- Food allergen declarations
- GMO & gluten free

Participants will receive, upon successful completion, a certificate from Oklahoma State University showing 0.8 CEUs and 8.0 PDHs.

Course Details

- An Internet connection is required
- Participants have 90 days to complete the course
- 70% pass rate is required on each quiz
- Course fee \$599
